SE	CRET CONFIDENTIAL UNCLASS Approved for Release 2005/02/10 : ¢IA-RDP78B04747A001100020030-5
	NARRATIVE REPORT
	has encountered some difficulty in writing the exposure generator program and as a consequence, will have to re-do some calculations. has requested a time extension in order to finish their calculations and write the final report. It is recommended that the time extension be granted provided there is no additional cost to the Government. has submitted a proposal for completion of the programs already started and accomplishing some new tasks. This new proposal is currently under evaluation.
